OVERVIEW

From the moment you see One Sandy Lane with its grand coral stone columns that make up the portecochere entrance you know that this property is something special. This is a property of architectural merit that will stand the test of time and built to exacting standards for those fortunate to own one of only 8 super homes.

These 8 homes are all generous sizes and range between 8 and 10,000 square feet depending on location within the building. There are 4 lateral apartments on either of the huge entrance hall with its impressive staircase.

One Sandy Lane is for those individuals who are looking for security, privacy and service whilst still be able to enjoy a beach setting, with fabulous views and landscaped gardens. A sanctuary completely away from it all where you can relax.

The property has been designed for security with the latest bio metric finger print technology, cameras in all of the public areas, 24 hour security, underground car parking and elevator access to the apartments. Each clients needs are different and Management work discreetly and efficiently to ensure owners and guests needs are met.

Located a short distance from Sandy Lane Hotel, One Sandy Lane is a super luxury escape for clients wishing to receive world class standards of service in a very secure and private enclave.

It goes without saying that the apartments have been built to the very highest specifications using the best materials and fittings from around the world. The views from the balconies of your apartment out to sea are breath taking and below you is the free form swimming pool and beautifully manicured gardens.

There is a full complement of staff ranging from private chefs, Butlers, Housekeepers, security, concierge

and management who will tailor your needs when it comes to staff, dining, menus, excursions, trips and tours including airport arrangements at the airport, jet centre or ports to each clients needs.

One Sandy Lane has a large negative edge swimming pool, fitness centre, bar and access to golf, tennis and much more.
